

**Houghton Lake Community School District  
Schools of Choice Vacancies / Section 105**

The Houghton Lake Community School District has adopted **Schools of Choice** for students in any district within the COOR Intermediate School District. Available vacancies are listed below. Persons interested in having their children attend the Houghton Lake Community School District for the 2011-2012 school year should send a letter to:

Houghton Lake Community Schools  
Schools of Choice  
6001 W. Houghton Lake Drive  
Houghton Lake, MI 48629  
Fax – 989-366-2070

The letter should indicate: child's name, grade for the 2011-2012 school year, current district of attendance and whether the child has been suspended from school within the past two years, or has ever been expelled from school.

To be considered, **letters must be received by 4:00 p.m. on August 26, 2011.** If more students apply than can be enrolled through available slots, a drawing will be held to determine those students who will be accepted.

**Transportation to the Houghton Lake Community School District is not provided.** Parents must make arrangements to get their child either directly to school, or to the nearest Houghton Lake Community Schools bus stop.

Once a student is accepted as a school of choice student, they will be allowed to continue attending the Houghton Lake Community Schools District as long as they maintain their enrollment in the district, comply with the District's and the building's policies, and student code of conduct. Answers to additional questions are available by contacting the Superintendent at 989/366-2035.
