Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2010-2011 educational progress for the Houghton Lake High School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, Adequate Yearly Progress (AYP) and teacher quality. If you have any questions about the AER, please contact Principal Brent Cryderman for assistance.

The AER is available for you to review electronically by visiting the following web site www.hlcsk12.net or you may review a copy from the main office at your child's school.

For 2010-2011, Houghton Lake High School made Adequate Yearly Progress (AYP) in English language arts and mathematics. While we are pleased to have reached this important goal, we are continuously working to improve. We appreciate the continued support of parents, staff and our community in this effort.

We are looking forward to making further gains in student achievement in the coming years as we implement the Common Core State Standards.

Sincerely,

Brent D. Cryderman
